## Description:

Let's get you and your student set up for success! Orientation staff will formally check you into the program and give you all the necessary resources.

Breakfast will be provided by UCF Dining Services.

Welcome to Knight Nation! Your Orientation will kick off with a welcome from the Orientation team and campus representatives.

While your student is not new to college, they are new to UCF. Learn all you need to know to frame the rest of your Orientation experience in this session. You will hear about who's who at the institution and how things are structured, UCF systems, and important policies and processes.

Learn more about how students can succeed academically while at UCF. This presentation will discuss academic expectations, success strategies, and academic support programs and resources.

What is "Transfer Shock?" How do academic credits transfer from another institution? How are transfer students supported at UCF? This presentation from the UCF Transfer Center will answer these questions and much more, including how families can support students' transfer journeys.

This is the part of the program where you get to choose your own "adventure!" There will be information sessions with key campus resources and offices, a Resource Fair event where you can talk directly with staff on campus, and our Orientation Leaders will be available to direct you to various offices around campus to take care of last-minute campus business. Students and families can go together or separate—up to you! See below and next page for session descriptions.

Transfer students may be familiar with paying their tuition bill from a previous institution but it's essential you know how to do that here at UCF! Learn more about paying tuition and fees, Florida Pre-Paid and other third-party payments, the financial aid available and resources to assist you at UCF.
